

Communications

We know how frustrating it can be when your student leaves you out of the loop! There are several options available to stay in touch with the music department.

Website

www.valhallamusic.org

Our new website has a calendar of events, rehearsals, parent documents & downloadable forms and useful links plus some fun pictures. This is parent focused, not for downloading music or other student activities.

If you would like to receive information via email about competitions, fundraisers, and other events, please send a request with your **first, last name, specify student/parent/other and the group belong to (concert, symphonic, color guard etc.)** to: communications@valhallamusic.org
